For yesterday is but a dream,
and tomorrow only a vision,
but today well-lived makes yesterday's
dream one of happiness, and
every tomorrow a vision of hope.

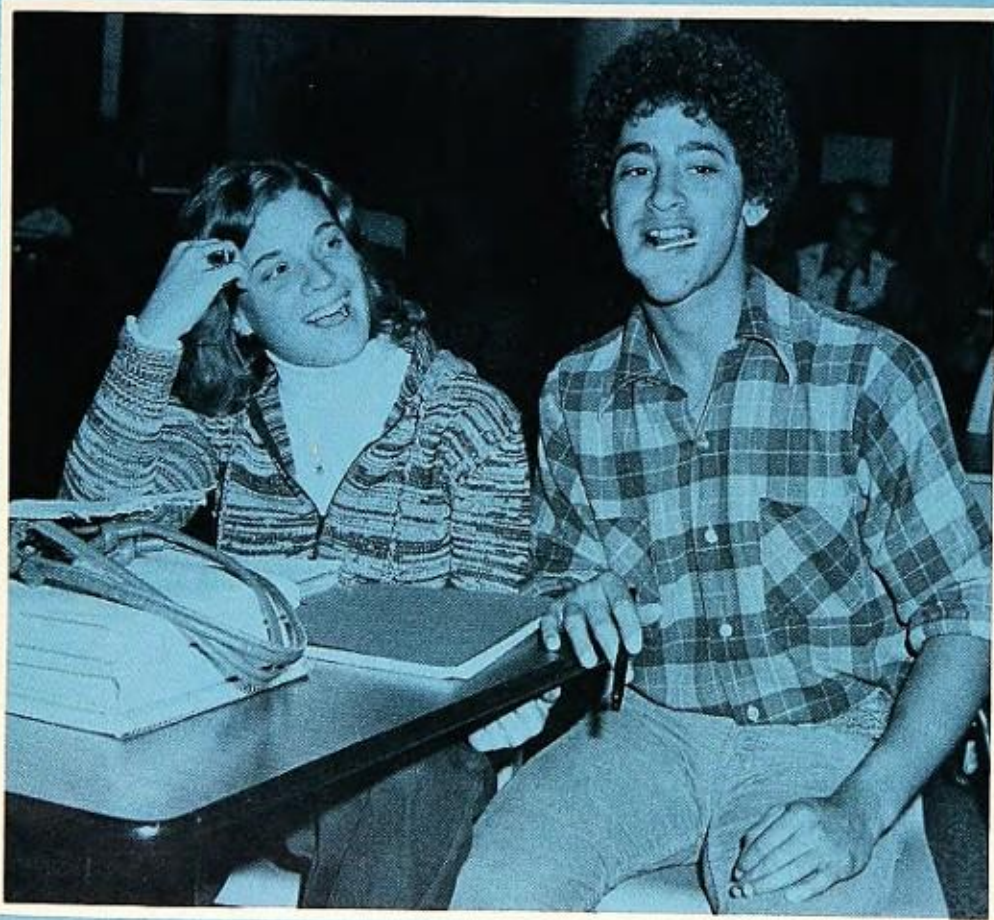

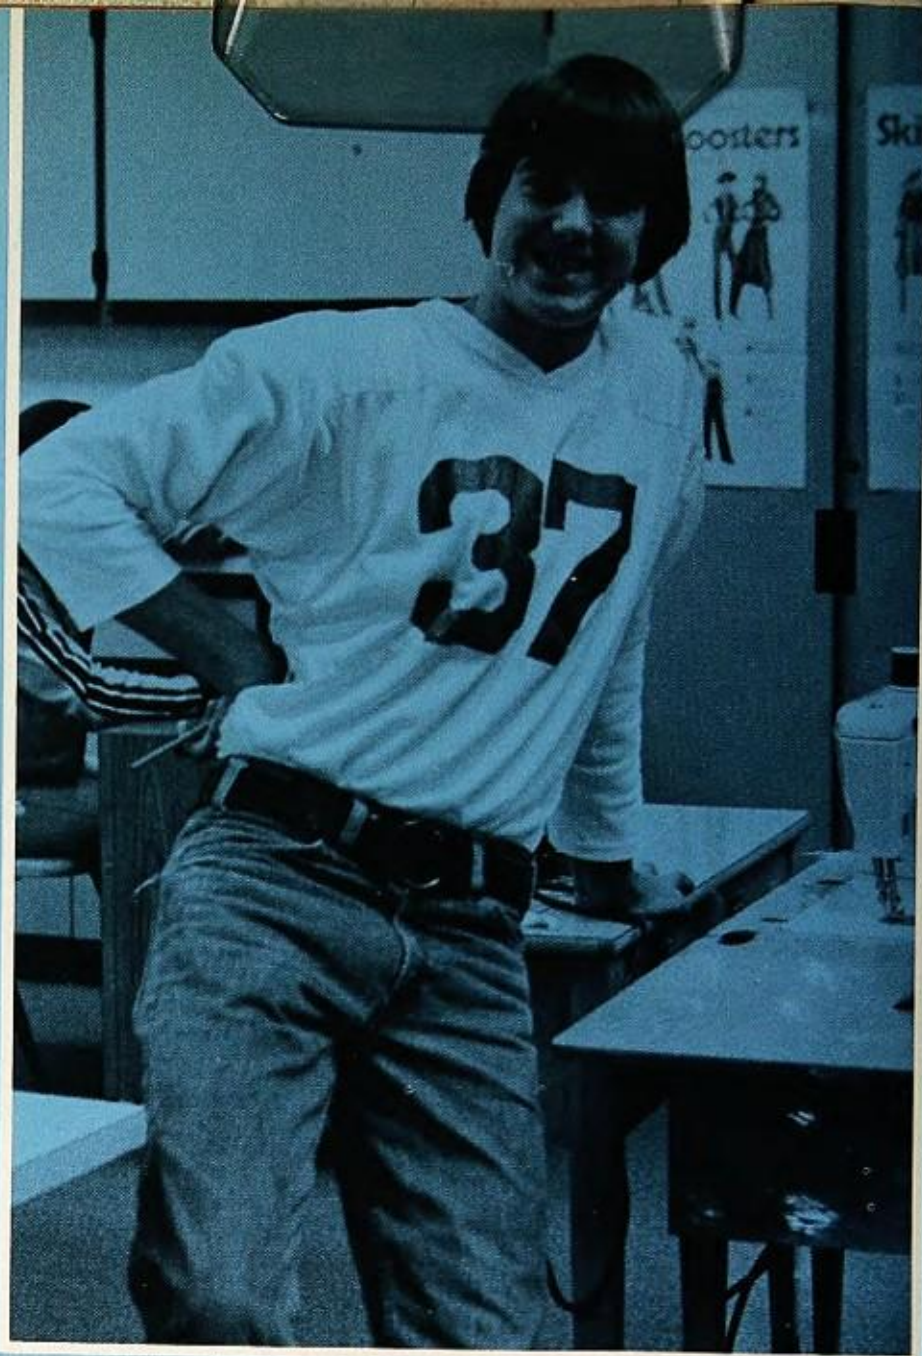

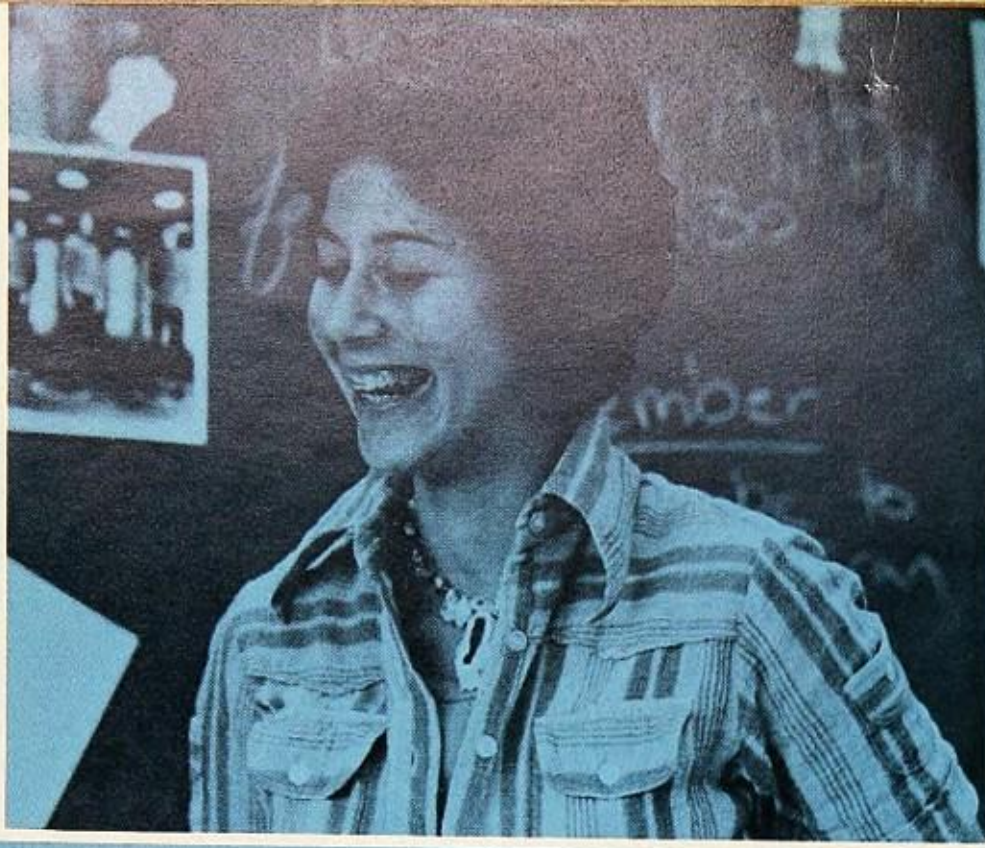

We began our
senior year by
reflecting upon
our memories shared
at Southington High School.

THE CLASS
OF '79
WAS SPECIAL:
EVERYONE WAS
UNIQUE YET
THERE WAS A
PLACE FOR EVERYONE

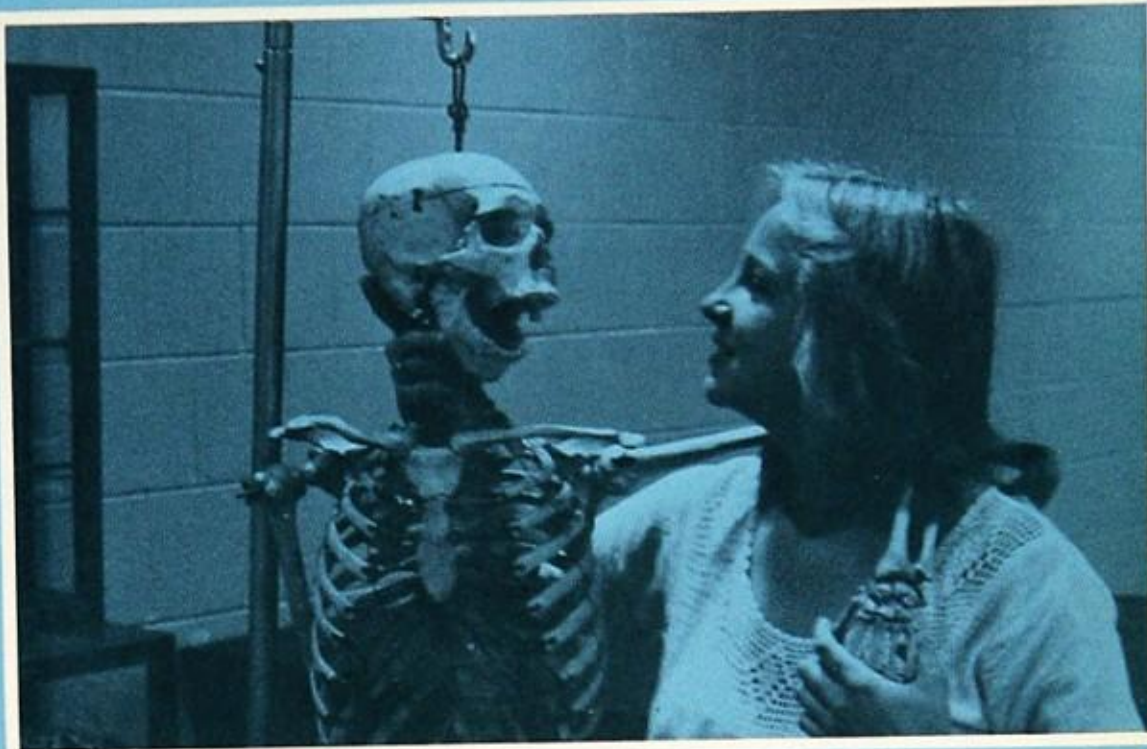

Marcia J. Hemingway 11/4/77

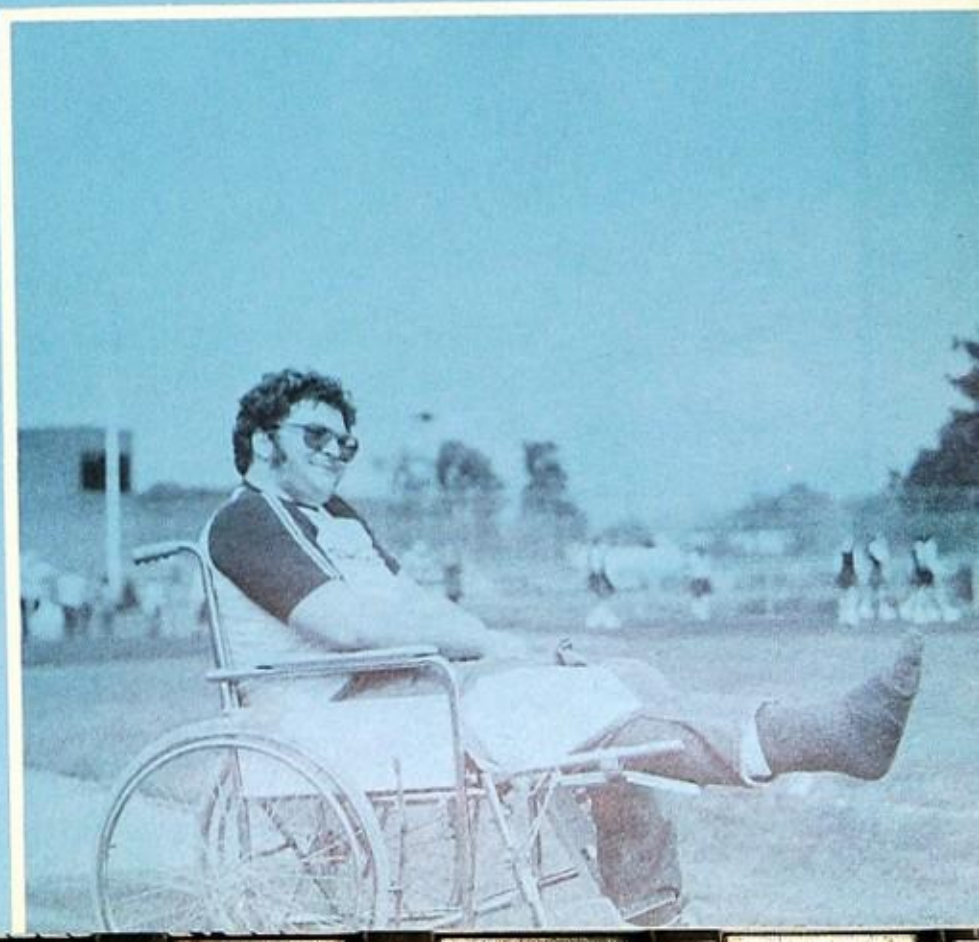

Happiness is like jam —
 you can't spread even a
 little without getting
 some on yourself.
 The class of '78' spread
 happiness and joy on each other.

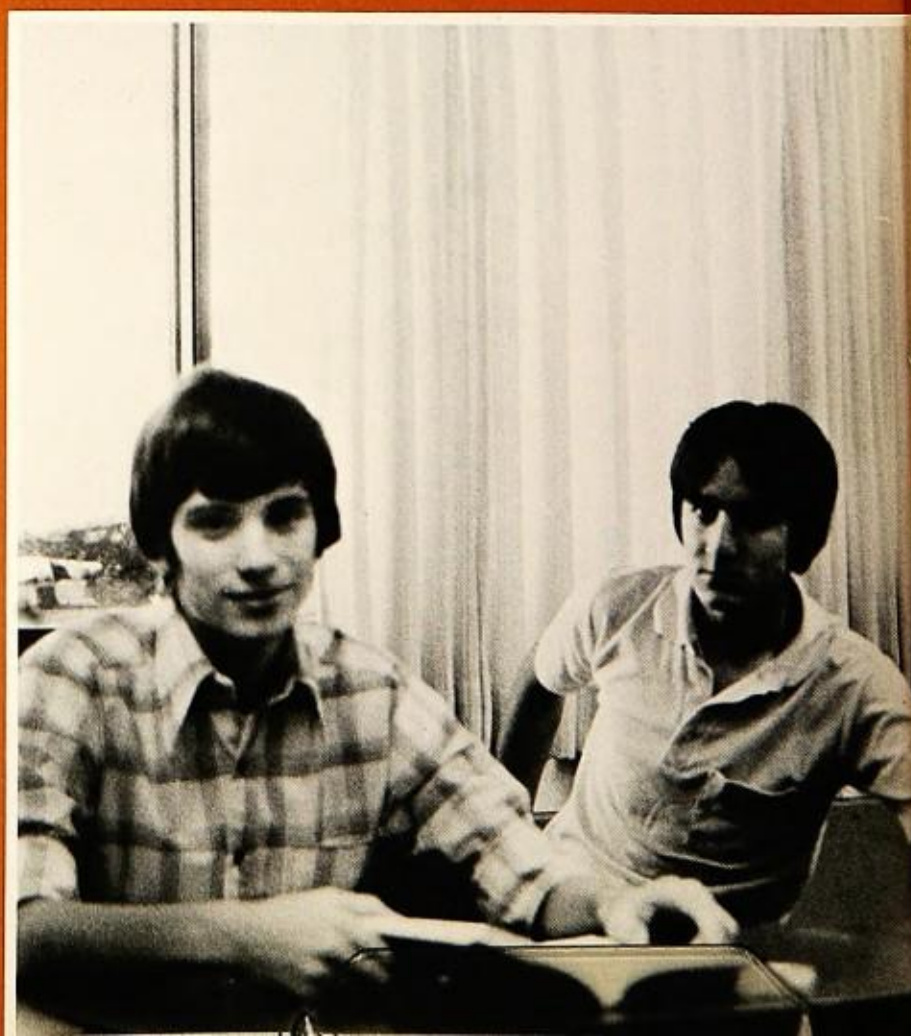

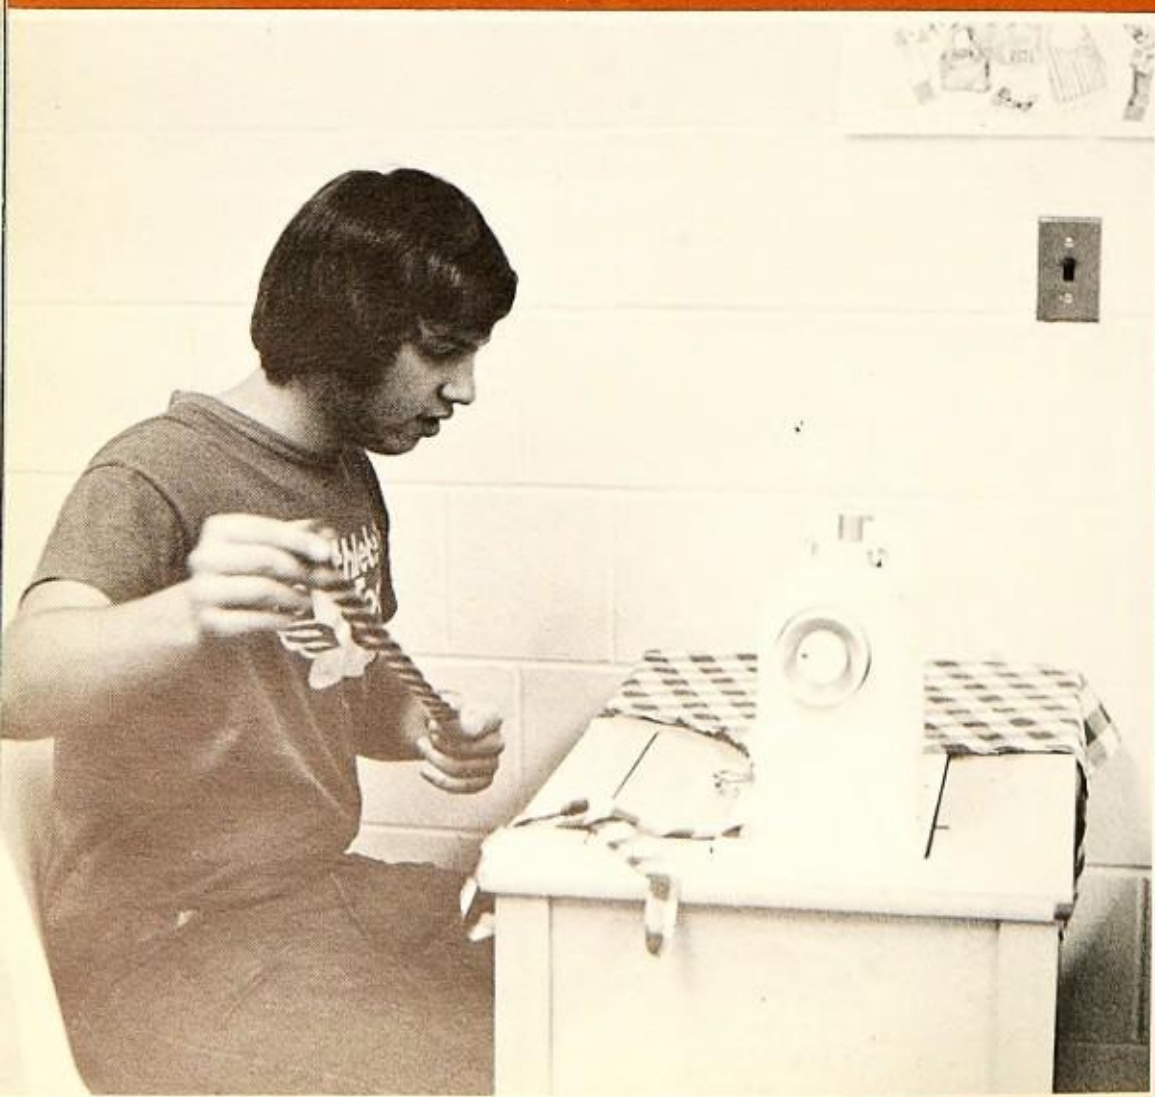

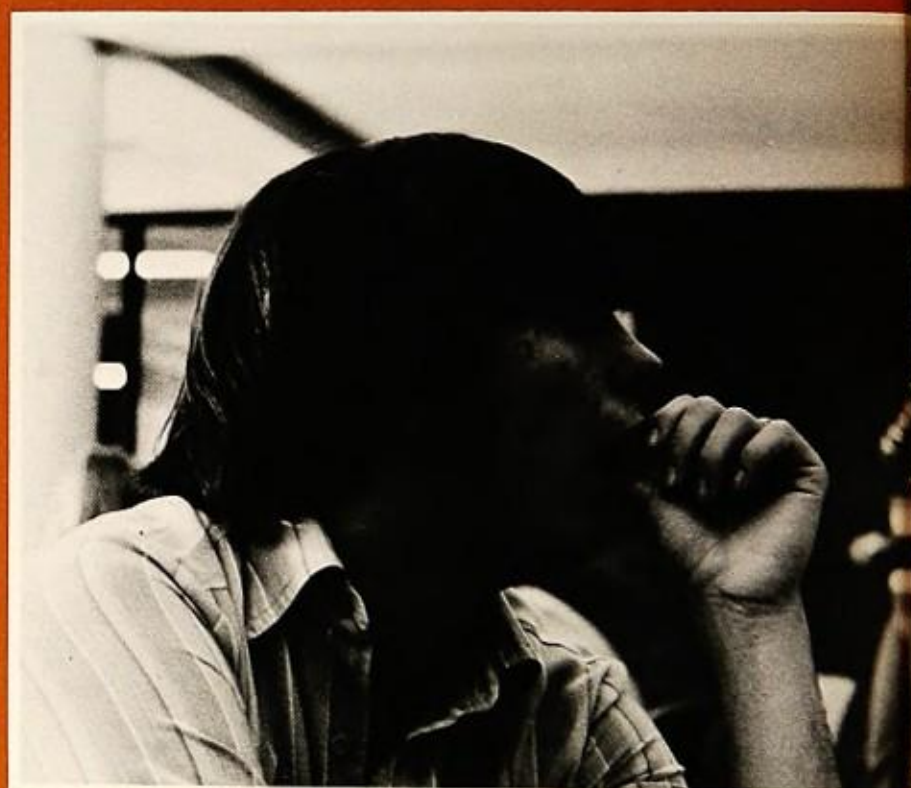

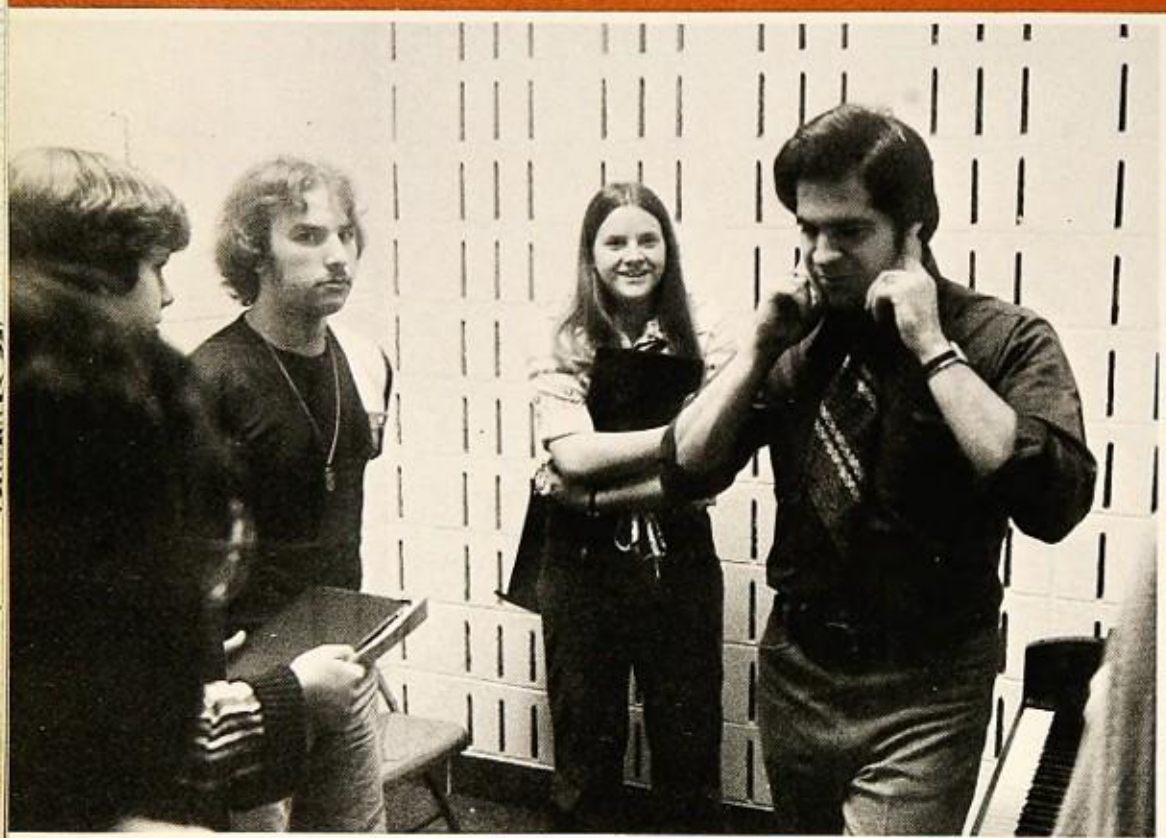

No matter where they were
the Class of 78 shared their
smiles and friendship with
each other.

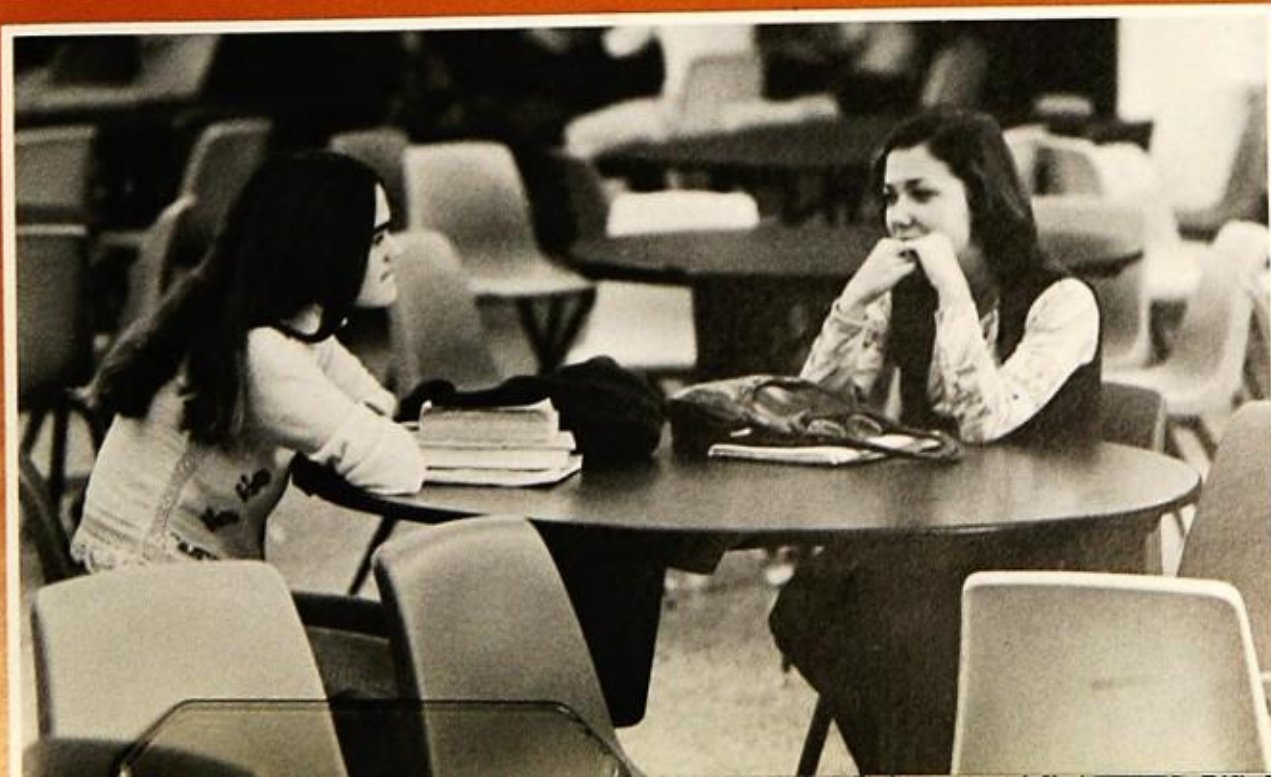

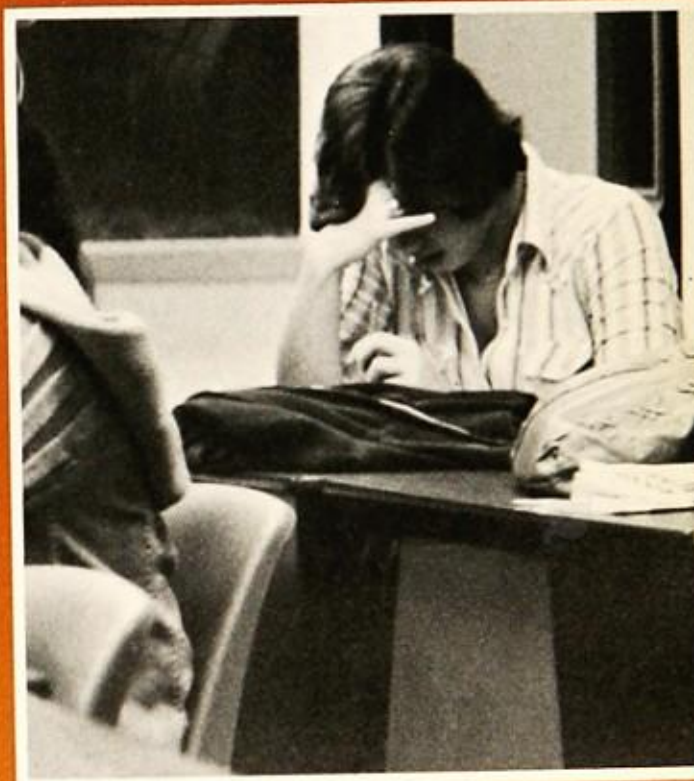

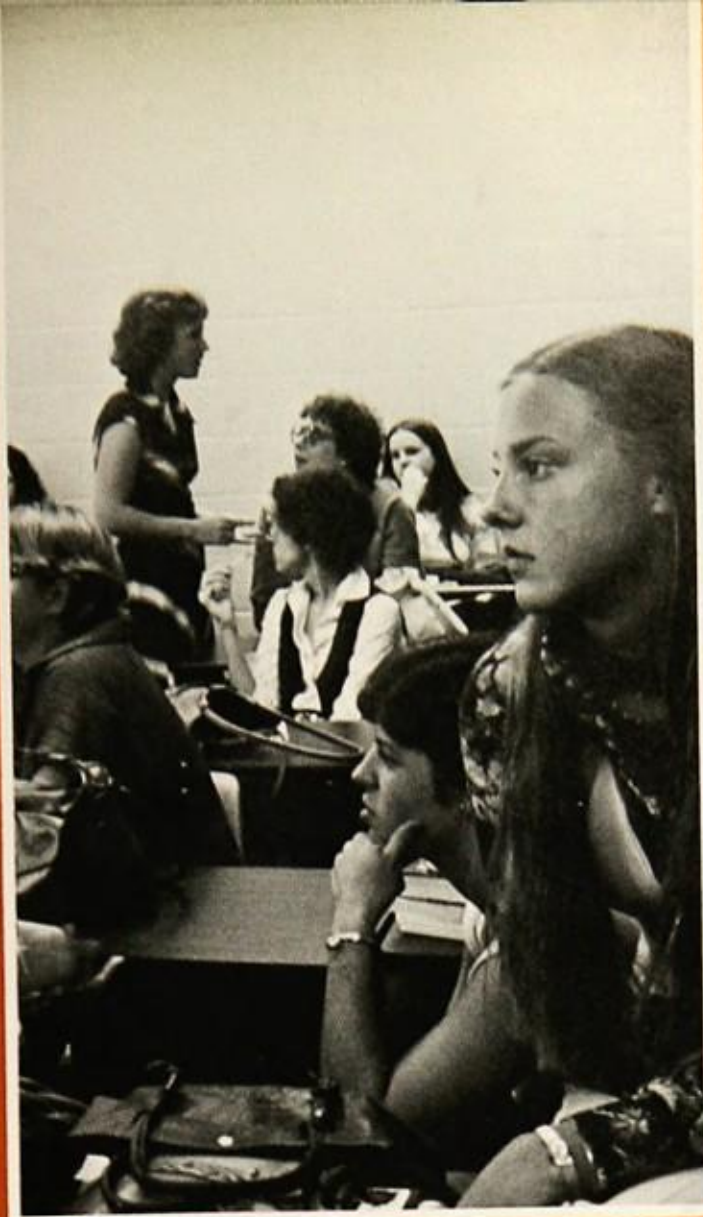

When things go wrong, as
they sometimes will,
When the road you're
trudging seems all uphill,
When the funds are low and
the debts are high,
And you want to smile, but
you have to sigh,
When care is pressing you
down a bit —
Rest if you must, but don't
you quit.

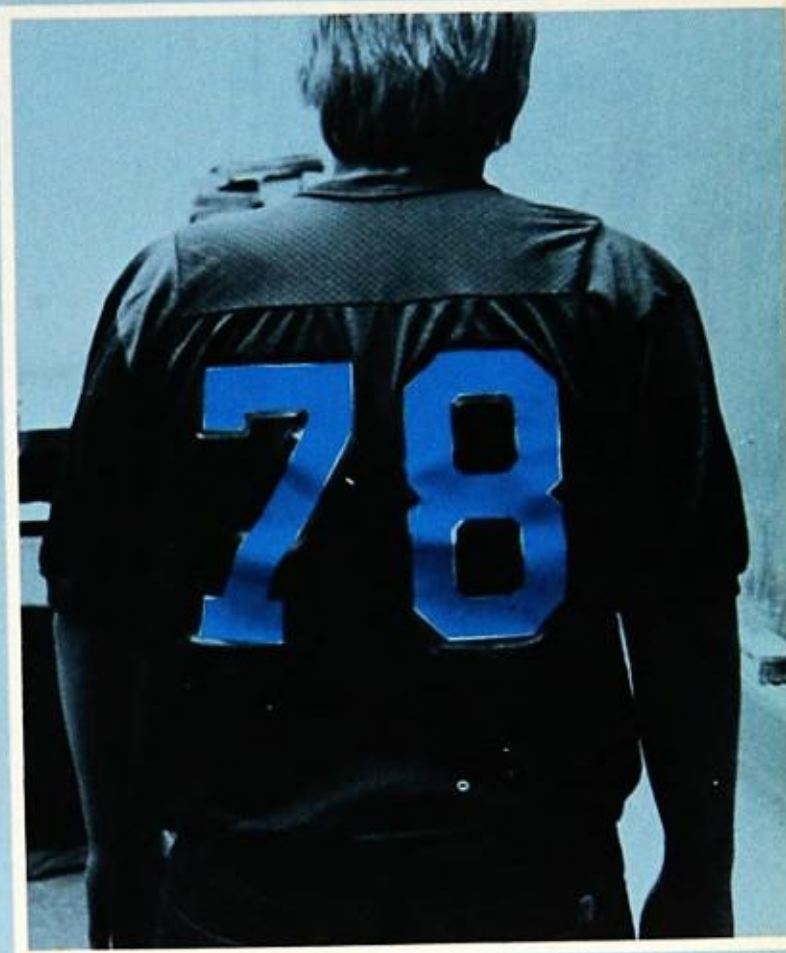

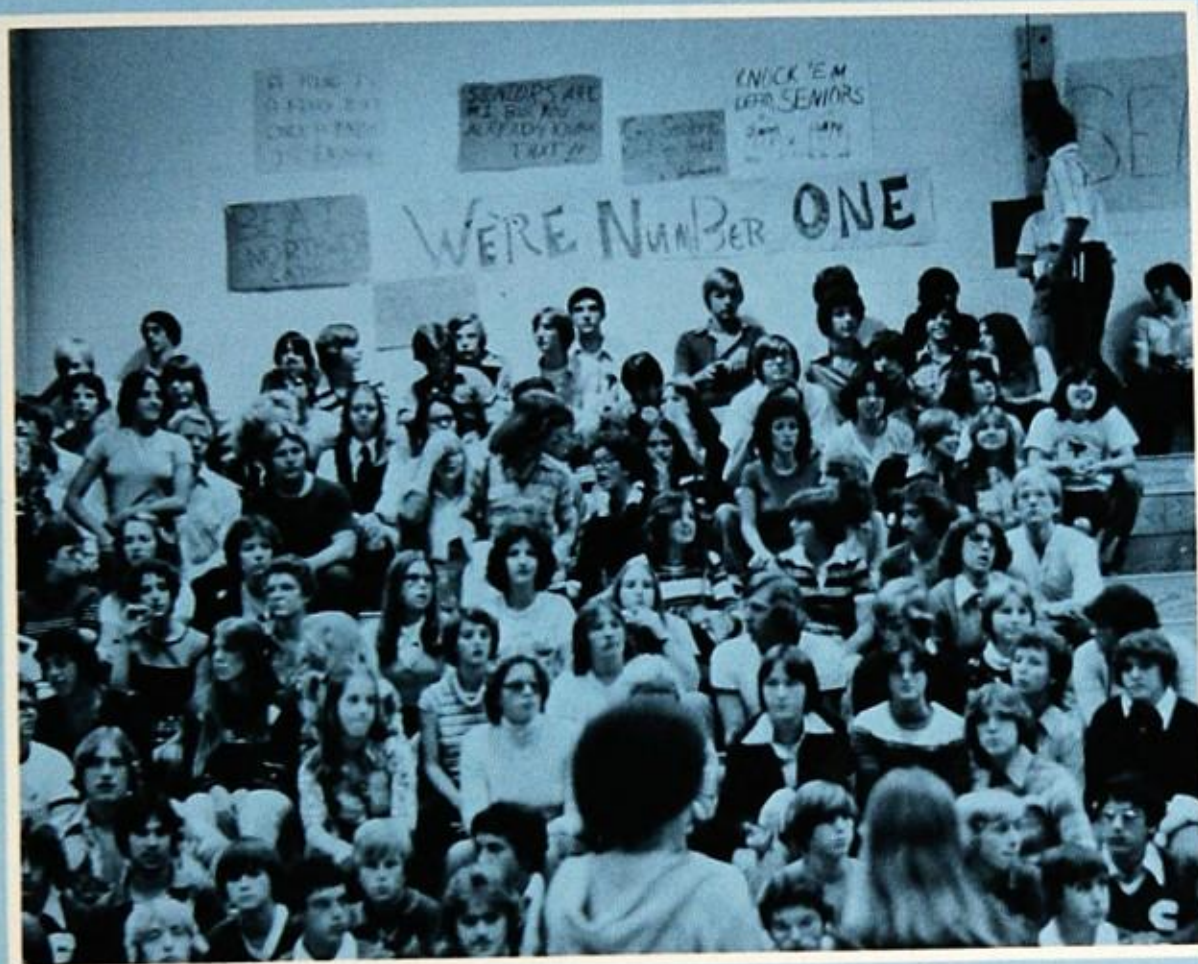

Success is failure turned
inside out —
The silver tint of the clouds
of doubt,
And you never can tell how
close you are,
It may be near when it seems
afar;
So stick to the fight when
you're hardest hit, —
It's when things seem worst
that you mustn't quit.

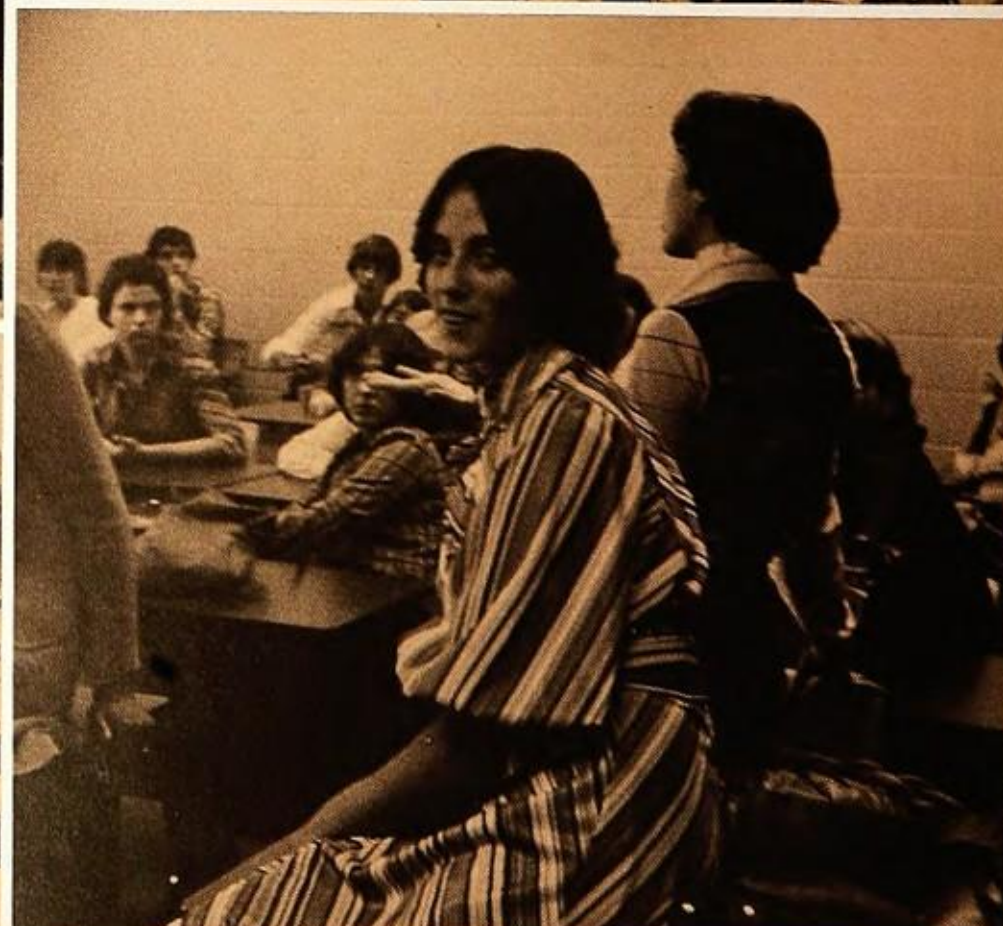

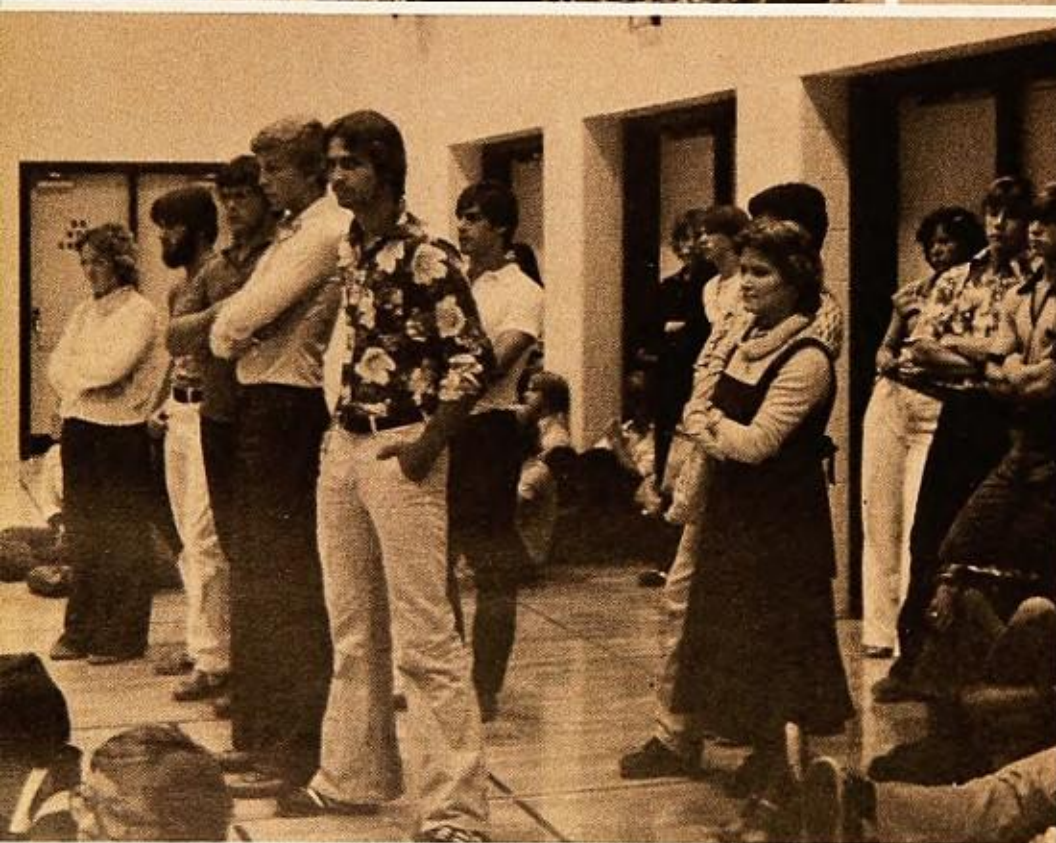

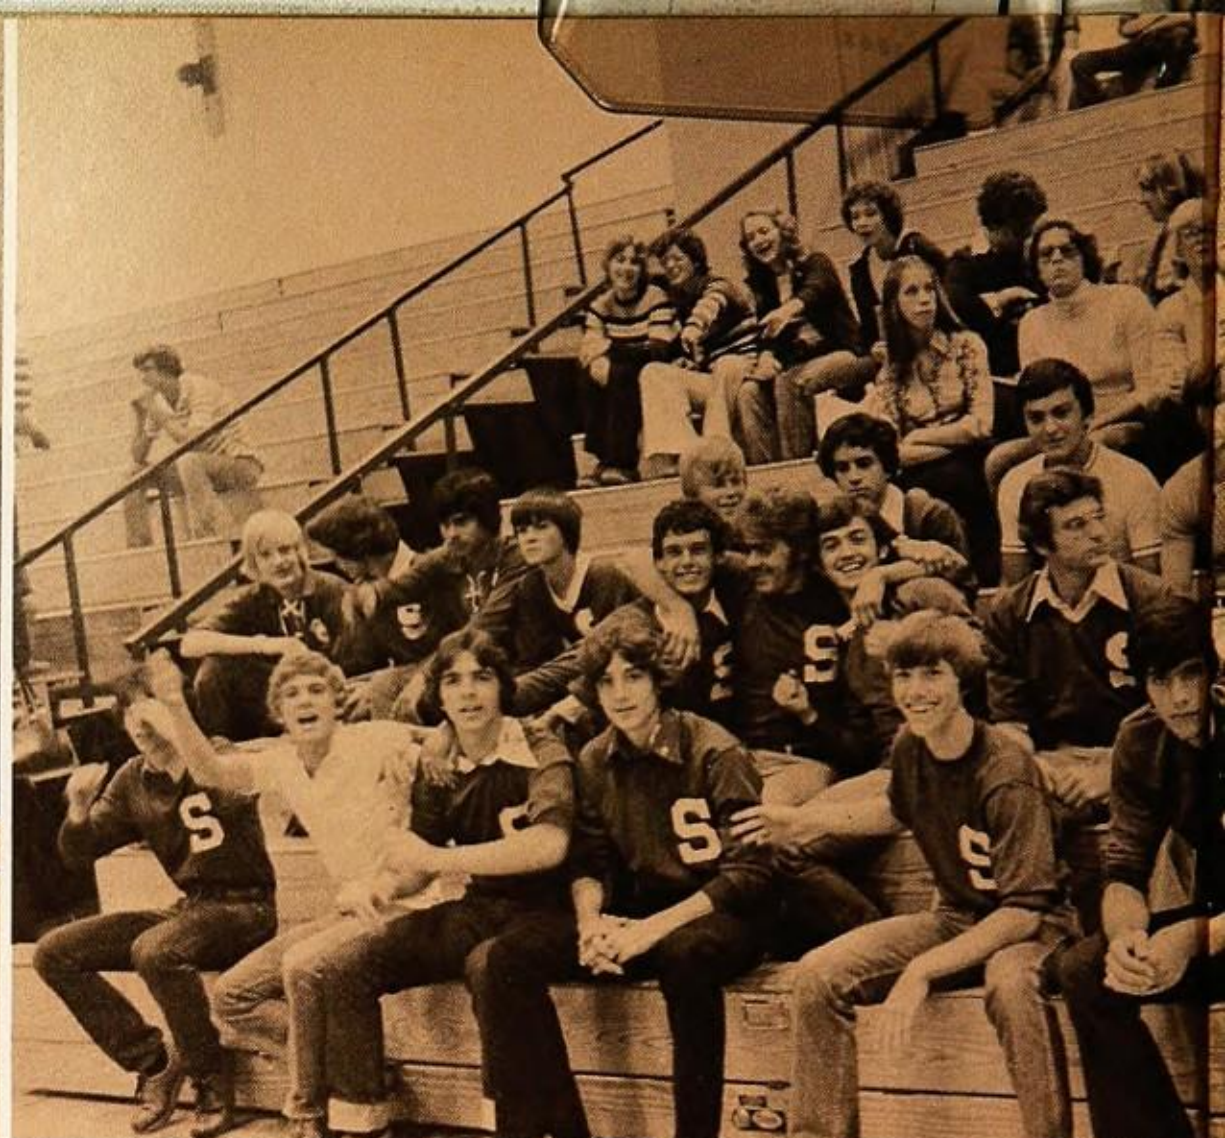

Just as the rocks withstand
the beating of the water,
we too must learn to overcome
our obstacles.

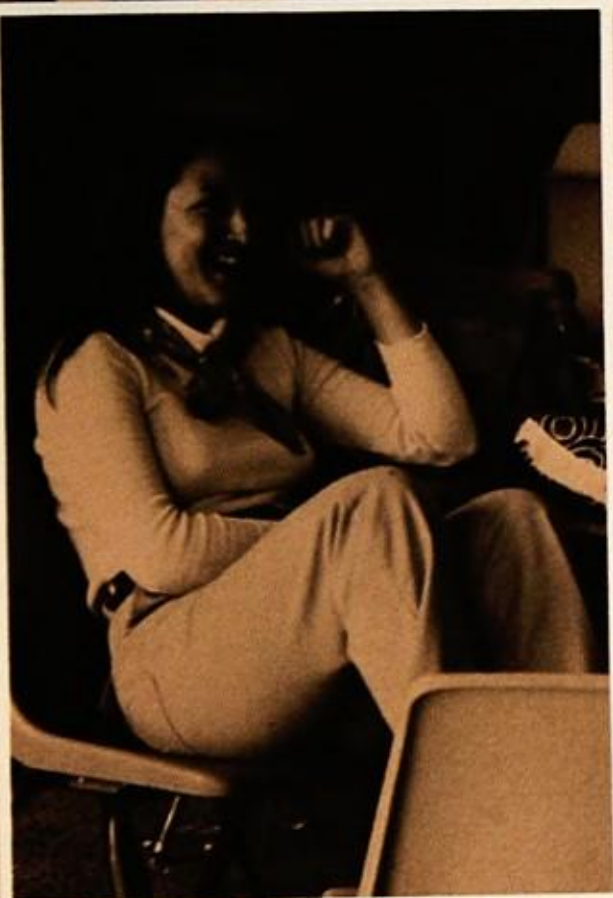

We're Still The One!

The Class Of '78

Adds Life!

The seasons are passing
one by one . . .

... So gather moments while
you may. Collect the dreams
you dream today.

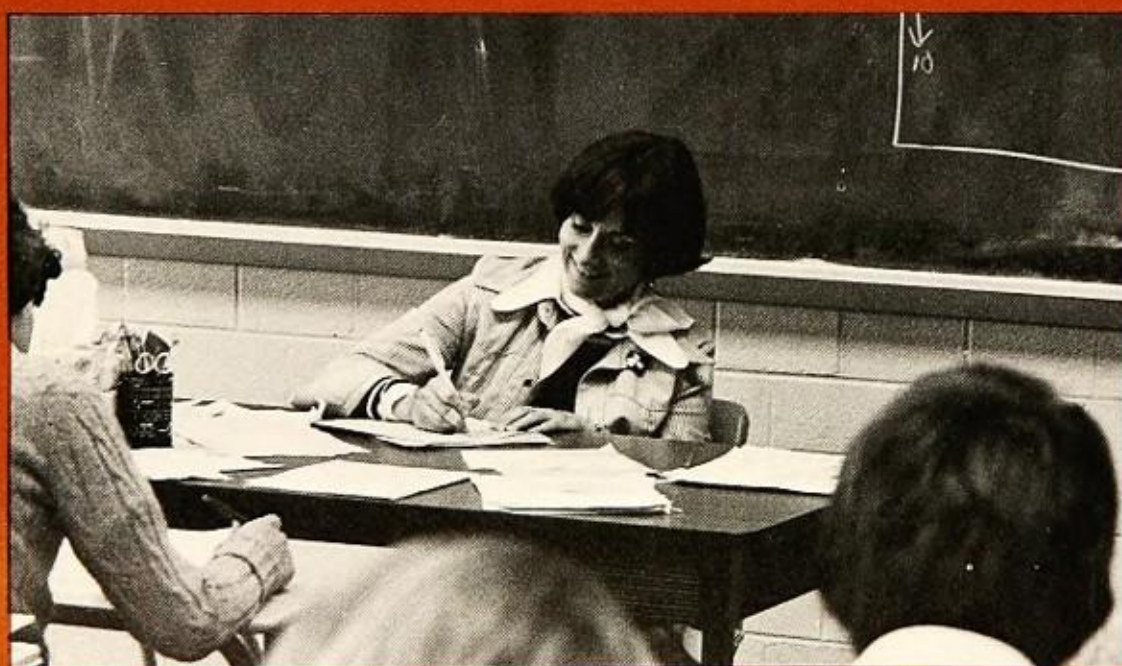

Mrs. Carol Carlson

Our days at Southington High School were filled with excitement and fulfillment. We could not have enjoyed our high school years if we did not have guidance, help, and support. We appreciate those people who gave of themselves so that our years at SHS would become for us pleasant memories.

To Mrs. Carol Carlson and Mr. Tom Hudec we would simply like to say thank-you.

We would also like to thank Miss Deborah Benjamin and Miss Dawne Naples for their help in the production of this book.

Miracles '78'

'MIRACLES' NOVEMBER 20, 1976

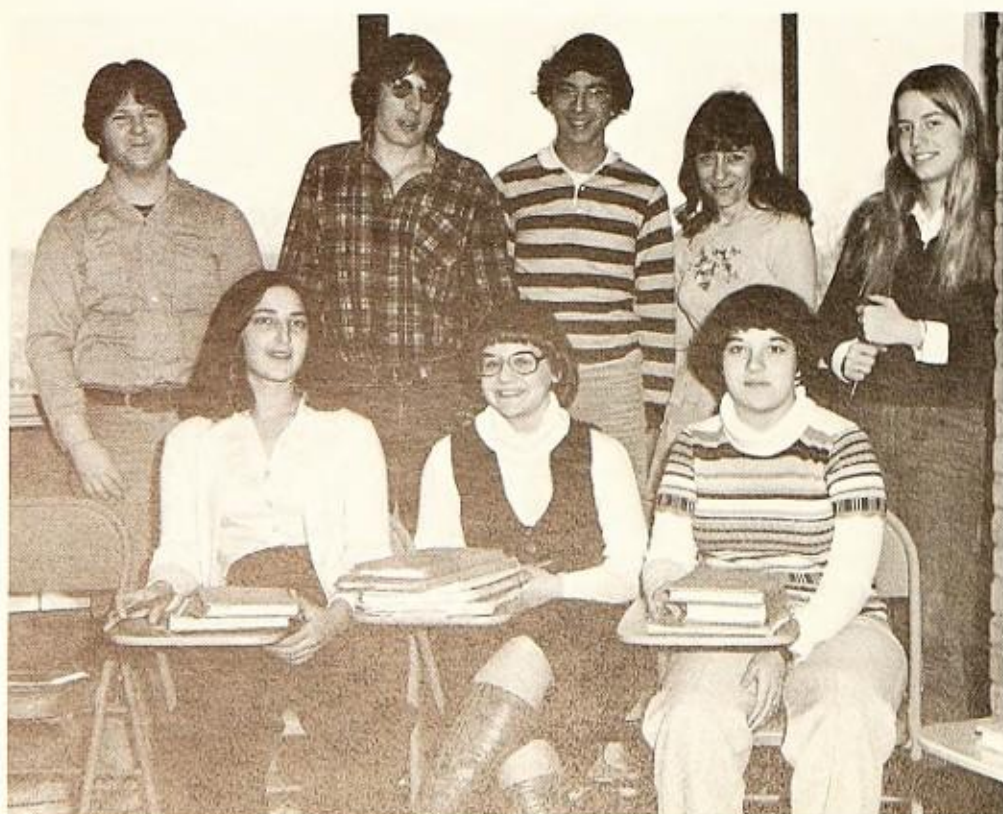

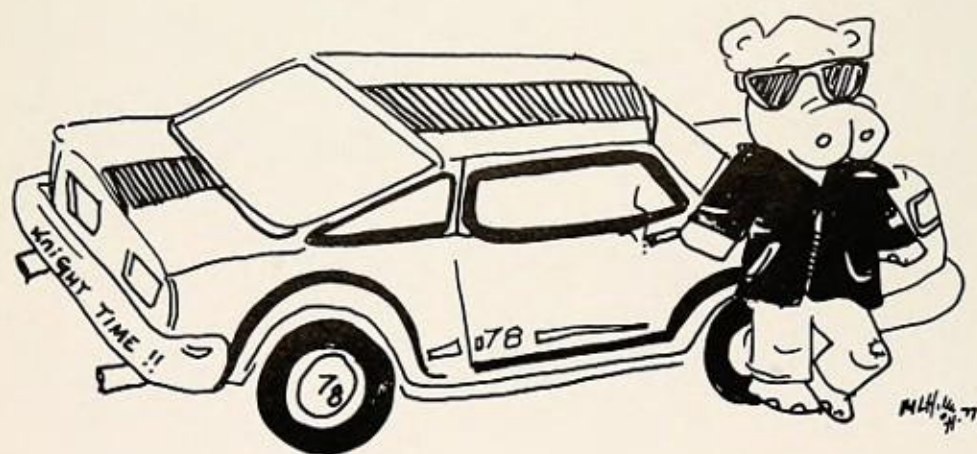

There was a lot of preparation and hard work for the Junior Prom. Many students gave their time to a project that became a night to be remembered.

"If only you believe in 'Miracles' like we believed, you'll get by."

Rally

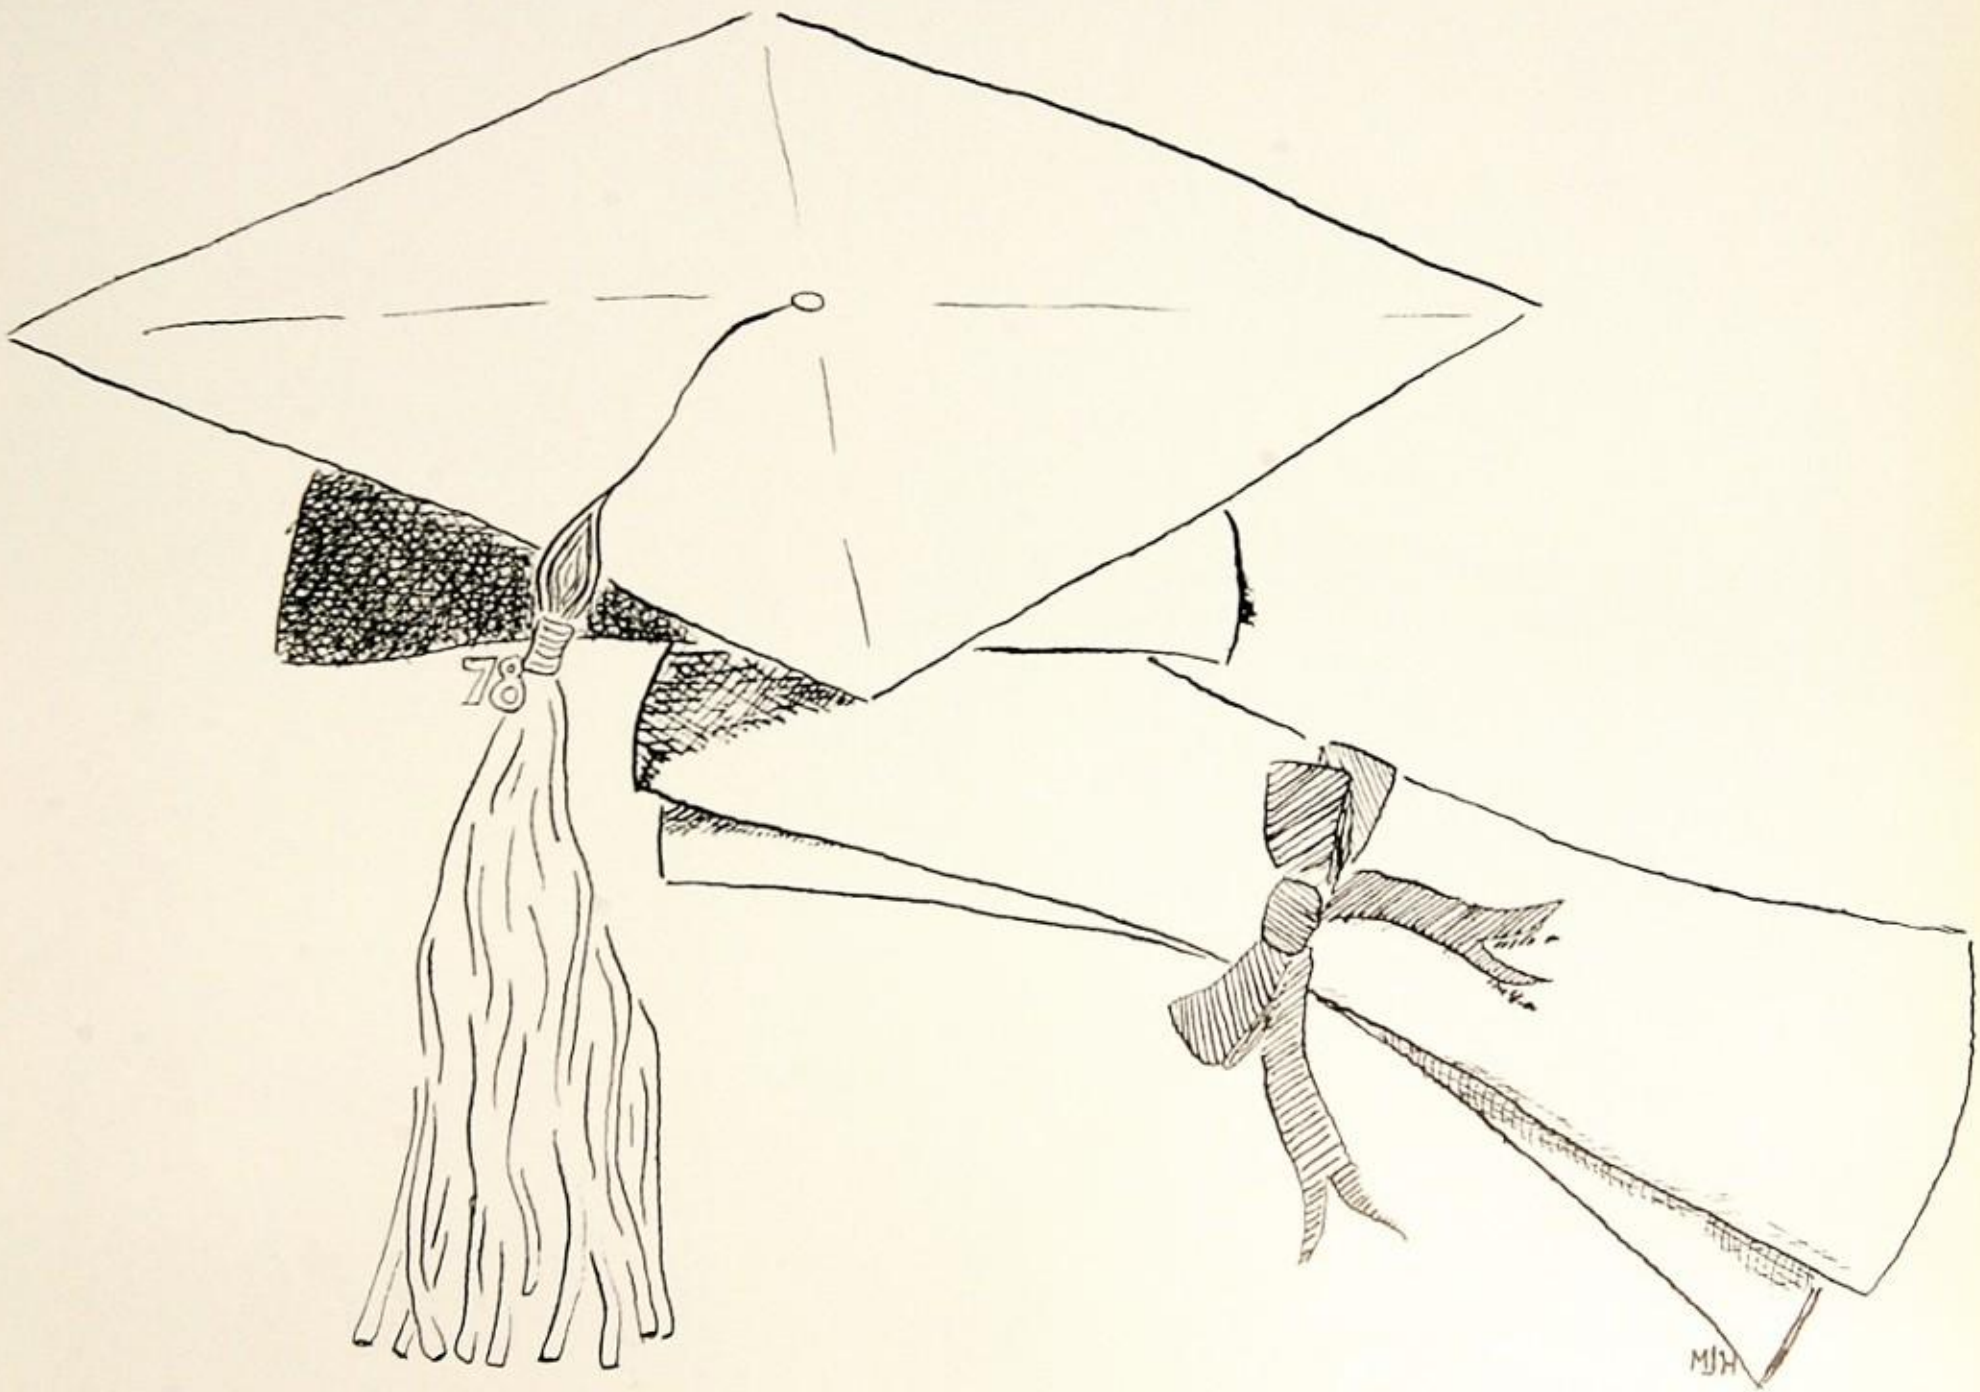

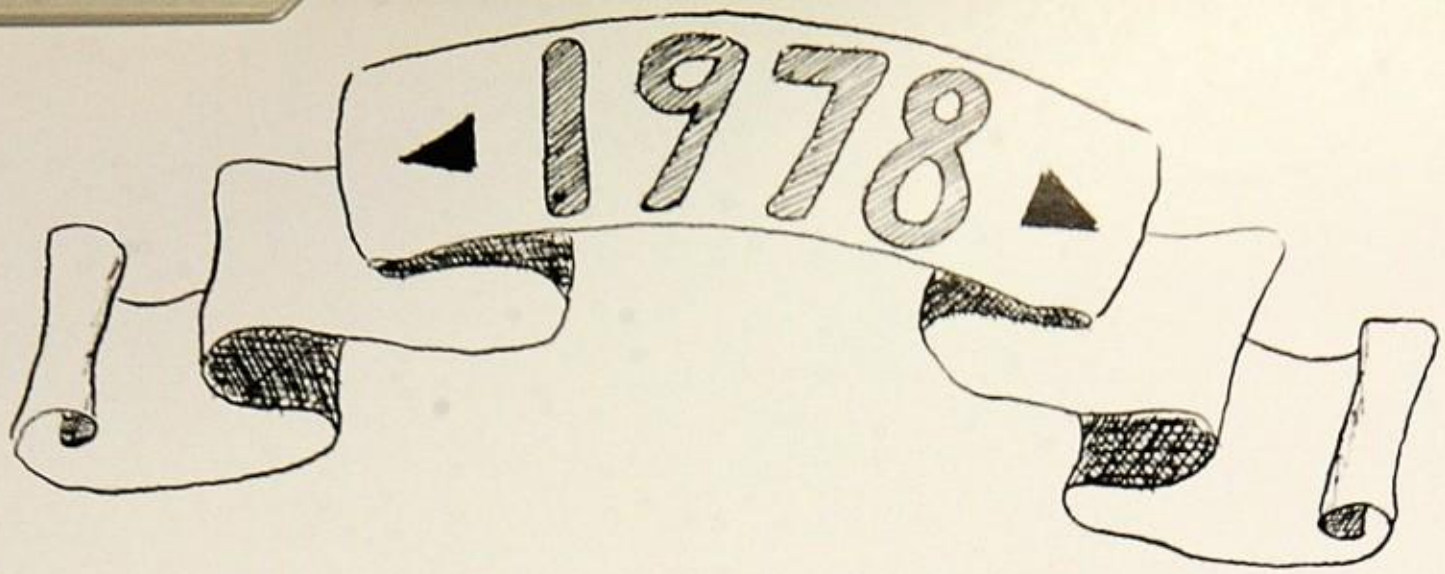

The Thanksgiving Pep Rally gave seniors a chance to prove that "The Class of '78' is number one!" Seniors showed their spirit by winning the March of Dimes Spirit Chain. Our new class co-advisor, Mr. Tom Hudec, prepared seniors for the traditional "cheering contest." It was a close contest, but the super seniors once again demonstrated the most spirit by cheering the loudest.

Miss Dawne Naples advised the construction of the float along with Sandy Pepe and Bob DeFeo. On "Turkey Day" the three classes joined together to cheer for our Blue Knights. The band, cheerleaders, and majorettes helped to arouse the spirit, as the Blue Knights showed that "We don't mess around." The score was a close, but exciting 14-12.

Dear Seniors,

Now that our high school years are at an end, it is time for us to go out on our own and seek our future. The three years that I have spent with you have been pleasant and enjoyable. I hope that I have served you well as senior class president. I have enjoyed working with all of you. In the beginning, we had some problems. We overcame our problems and made our class, the class of 1978, a most successful one.

My wish now is that all of you may find happiness in what you do, and when you look back on your high school years you will remember all of the good times that we shared.

Good Luck
and
God Bless

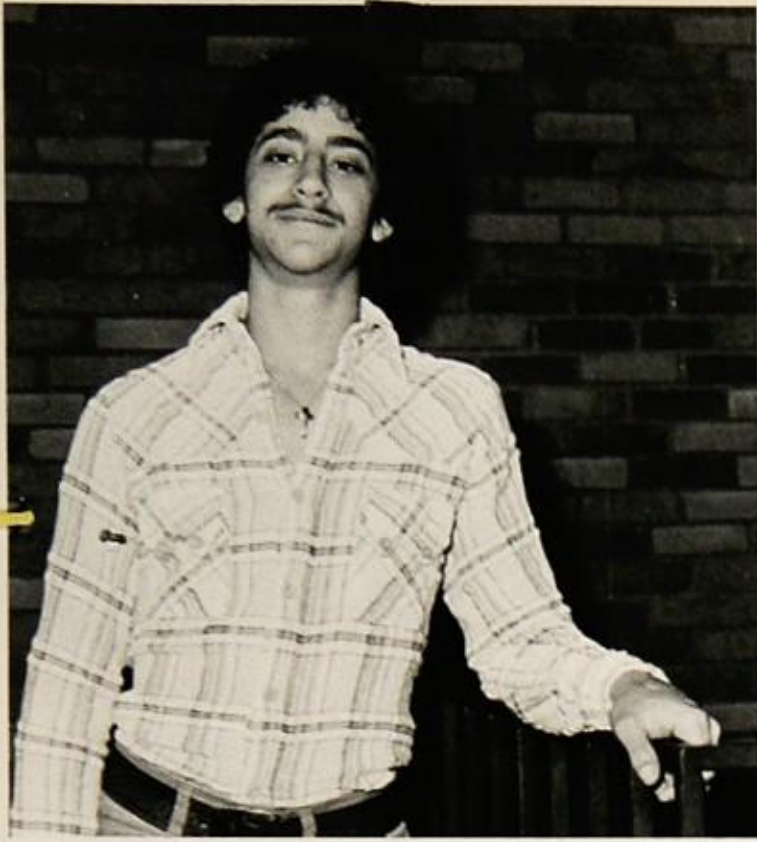

Sincerely,

Peter L. Silva

The Play That Never Was

The Grinch Really Did Steal Christmas?!

After many hours of preparation for a play that was bound to be a hit, a bomb scare during our Christmas assembly stopped the production of 'How The Grinch Stole Christmas.' Although the grinch stole our Christmas play, no one could steal or stop the Christmas spirit that the class of 1978 maintained in spite of the assembly's abrupt ending.

Football

Head Coach Dom D'Angelo

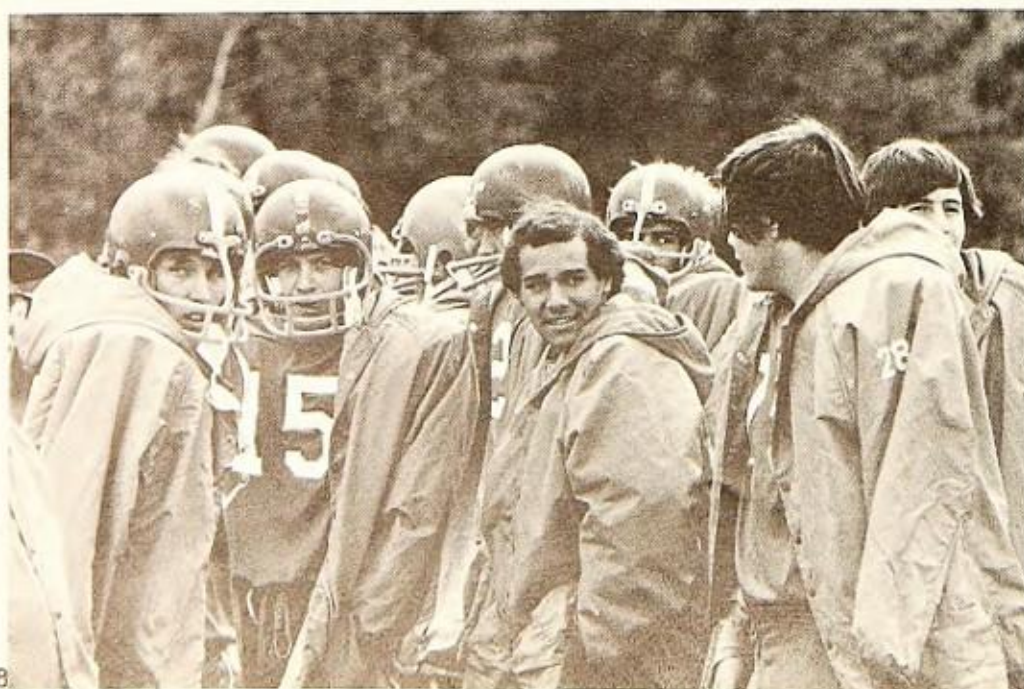

The '77' Football team, despite it's record (3-6-1 Conference 3-3-1), showed dedication. The team never stopped trying, and never lost that SHS spirit! All of the players showed 100% determination. Good sportsmanship and the ability to work with each other are qualities that the players learned throughout the season. Our Blue Knights did not let us down when they met with Plainville. The season ended on a happy note with a 14-12 victory over Plainville.

Soccer Head Coach Dan Murawski

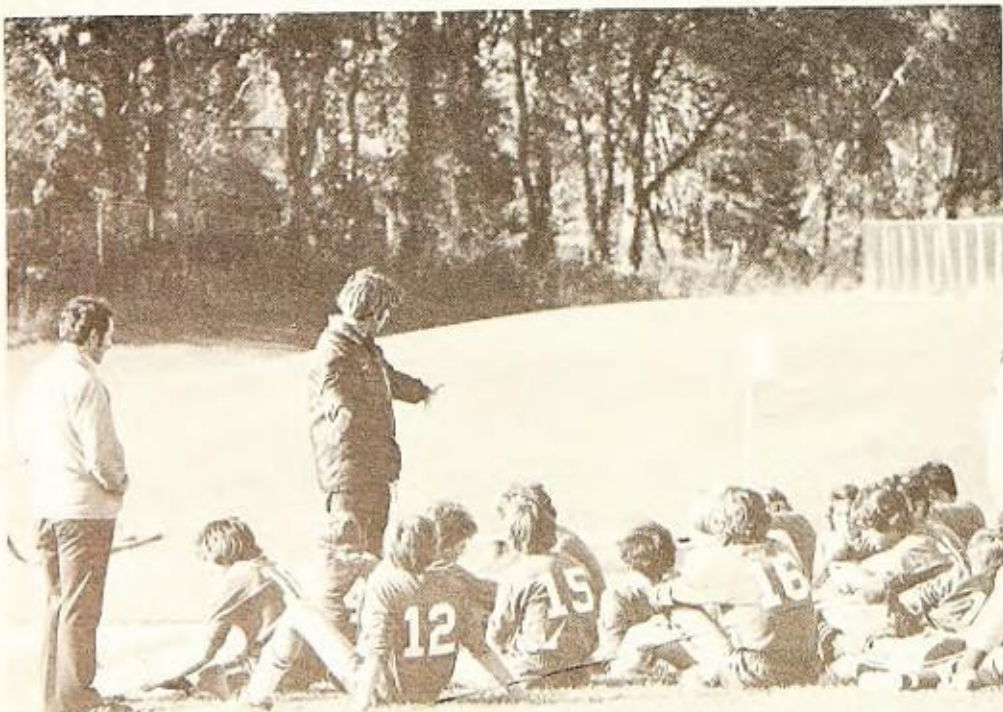

Front Row: Tri-Captains Rob Oshana, Steve Chesaneck, and Al Monbaron Second Row: Al Levesque, John Castaldo, Henri Rossetti, Tony Parillo, Chuck Martin, Mike Gianatti, Dave Kmietek. 3rd Row: Ben Perone, Joe Rossetti, Joe Ottalagana, Mark Testa, Bob DeFeo, Mark Thomas, Stanley Mach, Mark Angelitta, Tom Gagliardi Hampus Eklof, Coach Dan Murawski

The seniors on the Soccer Team had been working towards the 1977 season for three years. With most of last year's starting players returning, the team looked forward to an outstanding season. Despite a slow start, the team finished strong with an 8-1 record over their last nine games. The team ended the regular season with a 10-6 record. Ranked 17 in the state in the LL Tournament, the Blue Knights faced eleventh ranked Fitch of Groton. Unfortunately, luck was not with the Knights. After failing to capitalize on numerous occasions, the Knights fell 1-0 in the fourth overtime. Highlights of the season included a trip to Storrs to watch the UConn-San Francisco match and the dramatic come-from-behind win over Northwest Conference champion St. Paul in the final minutes, 2-1. Senior tri-captains were Steve Chesaneck, Al Monbaron, and Rob Oshana. Senior varsity members included Joe Rosetti, Dave Kmietek, Mark Thomas, Tom Gagliardi, Al Levesque, Mike Gianetti, Hampus Eklof, Mark Testa, Bob DeFeo, Stan Mach, Mark Angelitta, and Joe Ottolagana. All-Conference were captains Steve Chesaneck and Rob Oshana, Mike Gianatti, and Joe Rossetti. The team would like to thank coaches Dan Murawski and Joe Piazza for all the work and support through the years. C'mon coach, you know we're good!

TRI-CAPTAINS: Steve Chesaneck, Rob Oshana, Al Monbaron

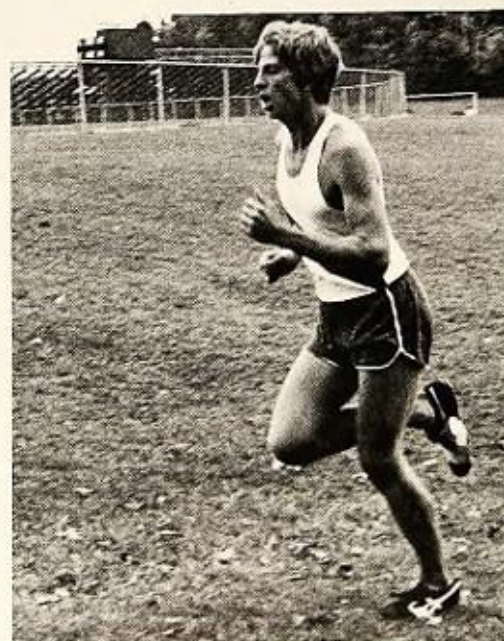

Cross Country Coach A. Wayne Nakoneczny

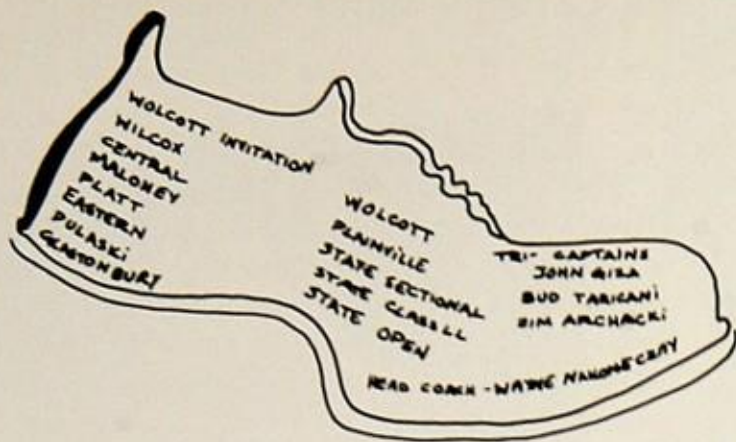

Front Row Dave Kuchta, Dana Hushak, Tri-Captain John Giza, Tri-Captain Bud Taricani, Tri-Captain Jim Archacki, Mike Rossi Second Row: Coach A. Wayne Nakoneczny, Tom Stagis, Eli Ringrose, Dave Szpak, Randy Heitner, Ken Lombardi, Paul Dandrow, Tony Rodriques

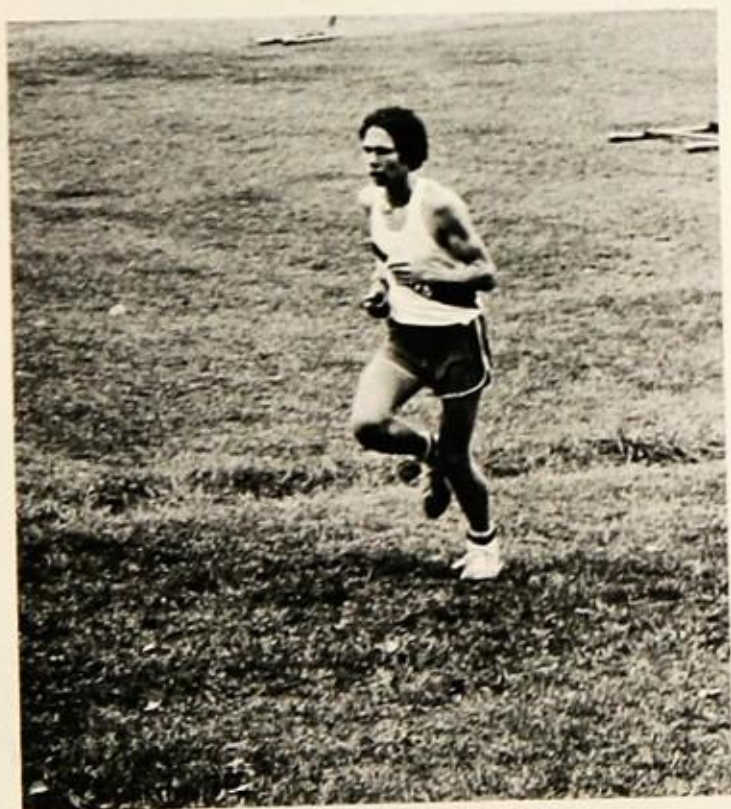

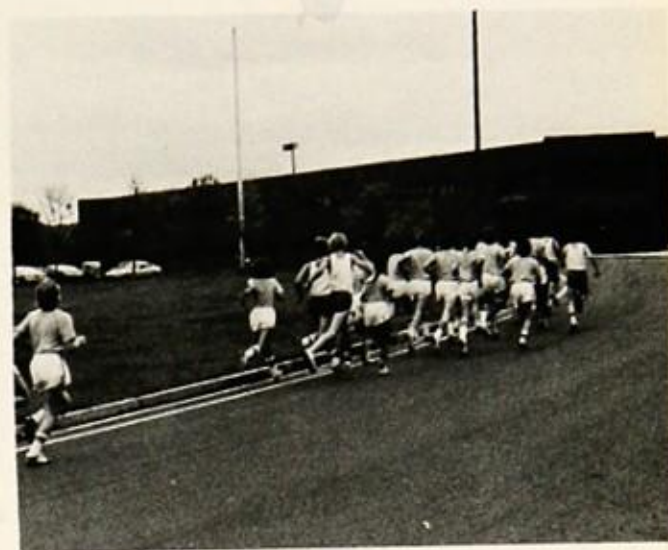

The Cross Country Team entered the season with strong optimism, much drive, and great desires. The team found itself in a colonial conference filled with cross country powerhouses in Wolcott and Platt. Led by Coach A. Wayne Nakoneczny, tri-captains Jim Archacki, John Giza, Bud Taricani, and seniors Dana Hushak, Dave Kuchta, and Mike Rossi, the Harriers fared a 6-5 season losing 3 meets by 4 points or less.

The team seemed to be hurt by injuries and sickness but never stopped trying. Long hard practices from August until November reaped satisfactory results and rewarding experiences. Bud Taricani established the course record at 16:33. Jim Archacki went to the State Sectional and placed an impressive 11 out of 150 runners, but failed to qualify in the Class LL meet. Congratulations are in line for the team for a fine season.

I'll beat you to the girl's locker room!

Girl's Field Hockey Coach Christine Niles

The SHS Girl's Field Hockey team enjoyed a very exciting year. The girls devoted a lot of time and effort into this season. All of the games were challenging. The team will lose a great deal of valuable senior players this year, but have enough returning talent to start a basis for next year's team.

The senior players include: Carolyn Bentley, Robin Casella (Co-captain), Lisa Dubay, Laura Pernal, Jackie Sandy, Annette Testa, Debbie Turner, and Mary Whalen (Co-captain). All of the seniors on the team wish the returning players a lot of success in the future. "Together-Score-Win!!"

Front: Robin Casella (Co-Captain), Mary Whalen (Co-Captain). Kneeling: Roxanne Badgley, Melinda Evans, Debbie Turner, Carolyn Bentley, Laura Pernal, Jackie Sandy, Annette Testa. Standing: Margaret Holyst, Mary Miller, Meg Sullivan, Vicki Herms, Dvan Lake, Heidi Miller, Laura Barry, Sandy Sprague, Lisa Fiondella, Jennifer Buzanoski.

"A 4-14 record does no justice to our team," so says Nancy Kirychuk, senior captain of the 1977 Volleyball team. "We worked very hard in practice but just couldn't put it all together on the court. We had the skill, but it just wasn't enough."

The Colonial Conference is probably the most competitive volleyball league in the state, and for a young, inexperienced team, that can mean many defeats. The 1977 season was one that saw more loss than victory, but it was still very exciting. "We were never beaten without a battle, except perhaps to the state champions, Maloney. We never gave up and showed tough competition in all our matches."

In spite of their losing season, the Volleyball team was able to end their season on a victorious note by defeating league champions, Newington, the biggest upset of the season. "We really wanted to win that game, and went all out to do so," says Junior Joyce DiNeno. "I never saw the coach so happy than the moment we scored game point," was setter Sharon Bates reaction to the final game. "I think the coach and the team really deserved that victory, it sort of ended the season on a happy note," commented the captain of the team.

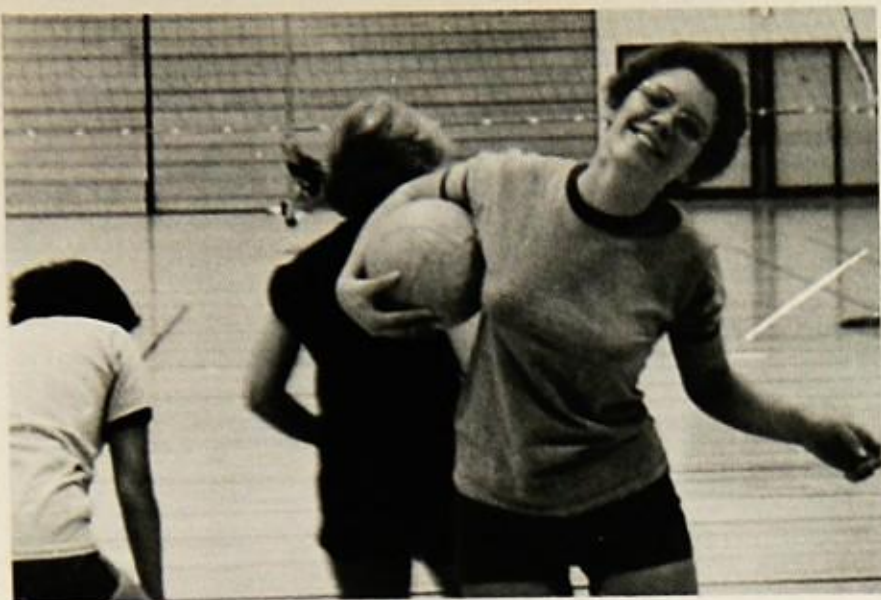

The team will only be losing three seniors: captain Nancy Kirychuk, Chris Albrecht, and Joanne Dalfino. The team will have ten letter winners returning next year. With much hard work, next year's hopes for a tournament spot look very encouraging, and Southington should provide much competition in the league. Watch out Maloney, cause here comes SOUTHINGTON!!

Through the past three years, the majorettes have grown into one of the biggest and best squads the school has seen in a long time. They have improved a great deal, demonstrating this at assemblies, on the field at half-time, marching in parades, and by winning a trophy in competition. Increased interest from the girls and from the school has been the main cause of their success. The squad received the help of a new teacher, Joyce, and a great advisor, Debbie Stachelek. The girls would like to thank all of the people who helped improve the squad. Hard work and determination made the squad what it is today. Co-captains Cathy Dowler and Lynne Nieckarz would like to wish the future squads the best of luck.

Shall we dance??

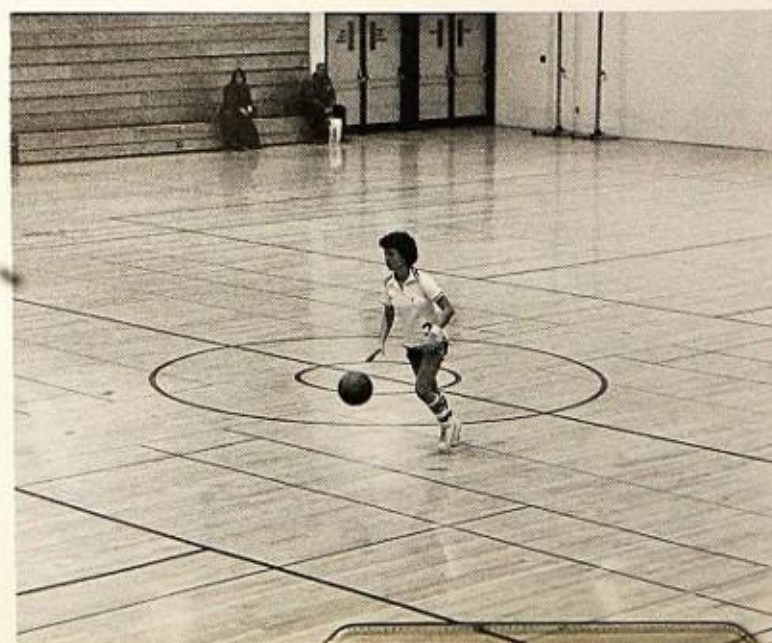

This year's Blue Knights Basketball Team failed to come up with a respectable record, but respectability was reflected in their play, as any loyal fan would have seen. Led by senior co-captains Dana Stephenson and Dan Dobbins the team found the going rough, but played with intensity throughout the season. Also contributing to the Blue Knights' cause were seniors Mike Ciani, Ed Nyerick, Jim Adaskaveg, and Mark Hayner. Although the team was plagued with injuries, Coach Ed Nardi tried desperately to put a winning combination together and with a few breaks in key games the SHS basketball team might have compiled a better record. Next year's ballclub will have a strong nucleus returning with two-year starter Gerry Jackson at the helm. This year's graduating seniors wish the best of luck to next year's team.

The 1977-78 Womens Basketball team began the season with hopes of being the first team to qualify for the state tournament in the history of womens basketball at SHS. The season was one of much hard work, determination and spirit which led to the goal of the lady knights being reached when they ended the season with an 11-7 record.

A great part of their success was due to all state nominee junior Valerie DePaolo who averaged 28 ppq and set a school record with 41 points against Bristol Eastern.

The captains of the tournament bound team were Carolyn Bentley, Carmel DiBenedetto and Annette Testa. Other seniors included Robin Casella, Nancy Kirychuk and Pat McCay, whose height the team depended on under the baskets. Sophomore Carol Migatz and Juniors Sandy Sprague and Irene Mach, a great powerhouse for the Knights who unfortunately was sidelined most of the season with a knee injury, also contributed to the Blue Knight success.

The team owes a great deal of thanks to Coach Busa and Assistant Coach Joe Daddio who guided the team to their first tournament spot.

The J.V. team had a new member this year, not a player but a coach, Joe Daddio. Mr. Daddio, in his first year worked very hard with his predominately sophomore squad and ended the season with a 6-11 record after playing a very impressive season.

Over all it was a year of great improvement for the lady Knights. It saw many fine players and hopefuls for next season. You can be sure that after tasting victory for the first time the team will be coming back next year as a strong contender in the 78-79 season.

On your mark ... Get set ...

And They're Off ...

Southington High's Swim Team began its fourth season with a new coach, Jim Spears and an overwhelming amount of enthusiasm. Led by Co-Captains Jeff Johnson and Bud Taricani, the returning Seniors and juniors welcomed sophomores who were experienced and inexperienced in competitive swimming. Through long, tiring but productive workout sessions, the Swim team proved itself in setting new school records, improving times and willing to accept an opponent's challenge. Finding the score of 91-81 a common one, (four occasions) the swimmers concluded their season with a victory over our rival Plainville 91-81.

BOB MindBoggling Oh HI ! Memories are what life
is made of ! ThanxMr.P Ann, here's to our dreams
and the future & Thanks for friendship.

Someday we'll talk of yesterday And when we finish
yesterday, we'll live today and when the day has
turned to night we'll watch each star come out to us
and greet us, each smiling so bright and so right.
After all the stars have filled the dark, empty, sky
with light, We'll walk towards tomorrow-hand in
hand until we can walk no more. (Mike,76)

Daydreaming ... the best part of my day ...

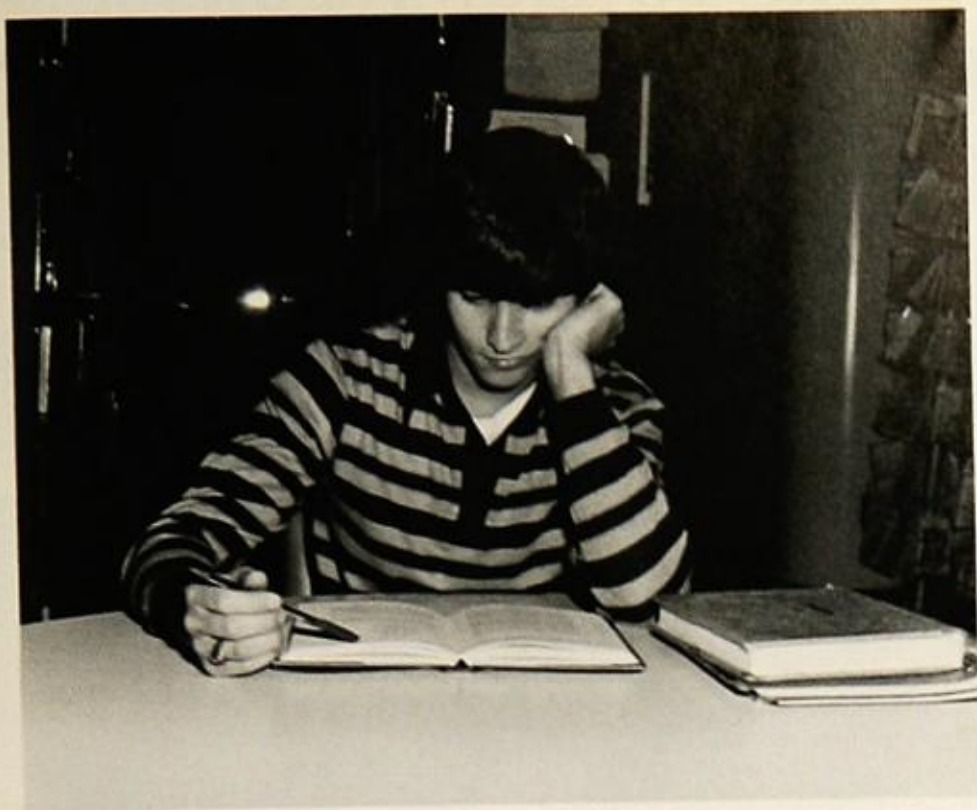

The Class of 78 entered school in the fall with many plans and expectations. Many of our goals were accomplished. Even though we had the bad along with the good, our defeats did not stop our class unity.

Our Christmas assembly was unique-in a sad way. A bomb scare prevented the presentation of 'How The Grinch Stole Christmas'.

The winter of 78 was one that will be remembered for many years to come. Snow-covered streets, buses, and cars were a familiar sight at SHS. It became quite customary to be dismissed early or to have a day off because of the snow.

Thanks to storms Larry, Jerry, and Ken, Southington used more snow days than the school calendar allowed. So, while many people were enjoying a warm sunny vacation on the beach, students at SHS were enjoying a wonderful week of school work.

On a cold, windy day in January, students in Southington High School finally got the swimming pool we always wanted. Water covered the floors, stairways, and halls. The swimming area was exceptionally good in the library and cafeteria. Although it wasn't exactly what we had in mind, it was a good chance for the swim team to practice for their next swim meet!

Believing that 'If first it can't be done, try a new approach', the National Honor Society wouldn't let the decision to cancel Homecoming break the tradition that has been going on for many years at SHS. They proposed a 'Winter Weekend Festival' which was held in April. Just another thing that made the Class of '78' so unique.

For the reasons mentioned above, the theme of this book is the 'Class Of 1978'. Our class was very special-we had so many unique situations and events that one song or poem would not capture the spirit that our class had.

As your Chronicle Editors, we have tried our hardest to put together a book that would be special for each and every one of you. We would like to thank everyone who helped with the production of this book, along with the parents and businesses that supported us. We hope that this book will always be filled with beautiful memories for you.

Thanks For The Memories

I expect to pass this way but once; any good therefore that I can do, or any kindness that I can show to any fellow creature, let me do it now. Let me not defer or neglect it, for I shall not pass this way again.
